JACK THE RIPPER!!!

Weds 17th – Sat 20th November 2010 including matinee.

This is not some gruesome musical but a light hearted fun production which Mid Surrey first did in 1986. A big cast of 16 comprises of 8 men and 8 women plus a chorus who are heavily involved from start to finish. Both Brian Rix and Ray Cooney were involved in the original production back in 1974 and I'm sure we will have great fun in camping it up.

Among the highlights are several of the policeman dressing up as ladies and a magician who hopefully can amaze the audience with his tricks. The songs are nice and light and there are plenty of laughs despite the title of the show and plenty of character parts.

The show has the scope to cater for as many as possible and Anthony's aim is not only to put on a great production but to also ensure that rehearsals are fun and people want to come along to them.

James Marr is going to be our MD and Abi Essex is choreographer so please do come along and be a part of this great Mid Surrey romp.

Auditions will be taking place in June, details as follows and we would welcome any newcomers to join us in this great show.
